

**Smuggler's Glen Turf Operations**

**Job Positions Available**

**Spray / Fertilizer Technician**

**Must have a Valid Landscape Exterminator Licence**

We are looking for a team member with:

- A good positive attitude
- Enjoys the outdoors and early mornings
- Works and communicates well with people
- Willing to learn
- Attention to detail
- Leadership potential

**Duration**

April 15 until Nov 12; pay is \$12.50 per hour

**Hours**

8 Hours per day – 5:30am until 2pm Monday to Friday; Every other weekend 5:30am until 9:30am

**Duties**

- Main duties include all fertilizer and pesticide applications and record keeping.
- Cutting Grass with trimmers and equipment
- Raking Sand Traps, weeding
- Filling Divots on Fairways and tees
- Push mowing
- Assisting with course improvements as required
- Blowing cart paths
- Many other duties associated with the maintenance of a golf course

**Expectations**

- Job is physically demanding and we work in all weather conditions. You will be on your feet for most of the day.
- An excellent work ethic is required as the regular early mornings are challenging for many. You will be working independently and as a team. Being late is not tolerated.
- You will be required to wear safety boots and a bumper cap, plus any other recommended safety equipment for the operation of tools or machinery. Safety is a priority.

**Extras**

- Golf privileges are available
- Staff discounts on food, clothing and other pro shop items
