*Let's make memories together...
in the Heart of the 1000 Islands!*

*Welcome to the Glen House Resort ~
where beautiful memories are created!*

Envision a beautiful, summer day with a bride walking towards her groom on the edge of the St. Lawrence River. The Glen House Resort provides an intimate and naturally picturesque setting for family and friends to witness a couple pledging their love and devotion to one another. The expansive grounds are adorned with beautiful flower gardens, making our unique venue all the more enticing.

Chef Samantha and her culinary team will impress you and your guests with their authentic creations, varying from hors d'oeuvres and entrées to delicious desserts. Our slow-cooked Prime Rib of Beef is renowned for its tenderness and succulent quality. Vegetarian dishes are also available. Whatever the choice of entrée, your guests will be sure to enjoy! The Glen House Resort tailors to your special taste!

Our riverside locale is just 90 minutes south of Ottawa and two and a half hours from Montreal and Toronto. Since the early 1900's guests have relaxed and enjoyed the tranquility of the Glen House Resort. This tradition continues today at our modern facility with our 18 hole championship golf course, Smuggler's Glen and our new tranquil addition, The Spa.

Room Accommodation-

When can my guests check into their rooms?

As a common courtesy to all of our guests, the check-in time is 4pm and check-out is 11a.m. This enables our cleaning staff to prepare the rooms in an efficient manner.

As for the "in season," it is strongly recommended to book a two night stay if an early arrival is anticipated. The room rates are discounted at a better rate for 2 nights, 3 nights, or more. We cannot guarantee rooms any earlier than 4p.m. on the day of the ceremony. There are change rooms available at our facility for your guests as an alternative option.

For the most part, the "off season" applies fewer restrictions, making room availability possible at an earlier time.

Is your facility pet friendly?

Unfortunately, the Resort enforces a no pet tolerance, in order to provide a relaxing and calm environment for all of our houseguests. To keep your beloved pets in close proximity, we are happy to provide contact information for kennel services.

Is there an iron and ironing board in our room?

Irons and ironing boards are available at the Front Desk on a first come, first serve basis.

Ceremony-

Can the ceremony be held onsite? Who will officiate it?

Yes, many wedding ceremonies have been held at our facility both indoors and on our beautiful lawn when weather permits. It should be kindly noted that the Resort accommodates other guests and so our lawn is "shared" with them for your event; you don't have exclusive use of this popular area.

For this reason we cannot allow large tents or canopies to dominate this area.

A fee of \$5.00 per chair or person applies for provision of this service. Names of local clergy to conduct these ceremonies for a fee can also be provided (refer to wedding contacts).

Reception Room-

Can I book the Admiralty room for My Day?

Depending on the time of the year and the size of your event, this popular room may or may not be available.

The Admiralty Room itself can hold up to 130 persons and when opened to The Navy Room can accommodate 180.

If your group is small, we may suggest The Lakefleet Room which can accommodate up to 60 persons or even Shipman's Dining Room depending on the time of the year. The rental cost will be detailed in your contract.

Your Room will be available for use by 12:00p.m. the day of your event. We will make every effort to make it available sooner if vacated by other guests.

Can I do my own decorating?

Yes, you can do your own decorating but prior to purchasing any decorations please contact The Glen House to ensure that the decorations are acceptable. Any decorations that attach to the walls, ceiling or curtains are not permitted without prior written consent (a form is enclosed for your description and our approval).

Fire regulations strictly prohibit any open flame of any kind. Only approved enclosed candles that meet fire code may be used.

Decorating is done at your own risk and The Resort will not be held liable for personal injury or damages. You will need permission prior to decorating to ensure there will be no damage to the facility (tape marks, nail punctures, marker bleed throughs etc.).

Can I bring my own Wine?

Because our facility is licensed, we are responsible for the provision and service of all alcoholic beverages.

If your favorite wine selection does not appear on our Wine Menu we would be happy to make a special order (at normal mark-ups) with advance notice.

What is the difference between a Cash Bar and Host Bar?

A "cash bar" requires your guests will pay for their own while a "host" or "open bar" means that you will pay for your guests' drinks.

Such decisions are entirely your choice; there are no set rules today. Many functions will have a "host" bar prior to dinner and "cash" bar after dinner.

You may also arrange for a "subsidized" bar; you pay a portion of the cost and your guests receive a lower price during a "cash" bar.

Is Outside Catering permitted?

Glen House Resort will not allow outside catering for any food items with the exception of wedding cakes which can be prepared off site and delivered to the Resort. We will supply a table for cake display.

Is there a minimum size requirement?

During our peak summer months, there is a 100 person minimum for Saturday Night Receptions. If you are under the minimum allotment, the charges will be based on that minimum.

Minimum and Maximum Room requirements.

During our busy summer months, and especially on holiday weekends, maximum room allotments apply to reduce vacancies the night after, and before your event.

During slower seasons fewer restrictions apply; you can consider booking the entire resort for a truly private function.

Booking Policies:

As a family-operated resort, we appreciate the value of family vacation time. With the interests of new and returning guests in mind, the number of rooms for your guests may be subject to availability.

As each season in the 1000 Islands features its own unique beauty, the Resort is a popular destination spot to visit all year long. The peak season affords a limited amount of Saturday night only reservations, resulting in possible two night minimum stays. A block of rooms will be held up to 45 days prior to your date, at which time any rooms not confirmed will be released. Guests can continue to book, if available and will be offered the discounted rate. Accommodations set aside for wedding guests are booked on a first come, first serve basis.

The Resort requires a deposit that is equal to a one night stay at time of booking to guarantee each room reservation. In the event of cancellation, the deposit will be returned less a \$10 administration fee that is received 7 days prior to arrival.
