

# Welcome Golfers

Smugglers Glen Golf Course is owned and operated by the Seal Family, the owners of the Glen House Resort. The resort is located in the heart of the beautiful 1000 Islands region, a world famous destination for boating, fishing and vacationing. The course name and logo were developed around the history and mystique of the rum running prohibition era, along this section of the Canada-USA border waterway.

The Seal family opened the course in July, 2005 to rave reviews. The course was nominated for Best New Course in Canada (Golf Digest, 2006). The course features bent grass greens and fairways, brilliant white sand bunkers and fabulous vistas from several highly elevated tees. Smuggler's Designer/Builder Boyd Barr, incorporated the natural, rugged, Canadian Shield landscape of mature mixed forests, tall white pines, high granite cliffs and rolling hills and valleys into this challenging and picturesque golf course.

Smuggler's Glen was built under strict environmental scrutiny. Three of our holes were carefully built to preserve the natural wetlands habitat that is located in the newly sanctioned Landons Bay Biosphere Reserve, an environmental preserve considered by the Ontario Government to be an area of Natural and Scientific Interest (A.N.S.I.) The course has a special feel and distinction that is defined by its natural park setting. Responsible environmental management practices and stewardship are foremost at Smuggler's Glen.

We hope you enjoy the course and have a memorable golf experience!
